Scientix has received funding from the European Union’s H2020 research and innovation programme – project Scientix 3 (Grant agreement N. 730009), coordinated by European Schoolnet (EUN). The content of the presentation is the sole responsibility of the presenter and it does not represent the opinion of the European Commission (EC) nor European Schoolnet (EUN) and neither the EC nor EUN are responsible for any use that might be made of information contained.
Best practice in education

1 of the 100 top global innovations in education according to the hundrED
Video Presentation

SCIENTIX
The community for science education in Europe
Benefits for teachers:

• Browse through the Scientix resources repository and find inspiration for your classes;
• Get involved in European STEM education projects
• Participate in European workshops for professional development;
• Download all presentations, videos and materials from conferences, and stay tuned for future ones;
• Participate in online training, webinars or communities of practice;...
